

Roc Day 2020

Roc Day 2020 is just over four months and four meetings away! At the August meeting we started to fill the coordinator positions and talk about some of the particulars. The list of coordinator positions and those who have volunteered so far can be found below. At the August meeting we discussed room set up and decided to continue to house the raffle in the front foyer but move the

welcome table to the large room, just inside the doorway to the left. We also discussed having a display table of guild member handwork right next to the welcome table. Wayne H. will be coordinating the workshops and demonstrations. Please let him know if you have ideas for a demo or workshop or would like to offer your expertise for one. And we may have music during the lunch hour - stay tuned!
